Roll Cap Safety Rules
- Never point at or shoot at anyone.
- Do NOT fire closer than 1 ft to ear.
- Hold gun at arm’s length when firing.
- Unload gun when not in use.
- Store ammunition separately from gun.
- Treat every gun with respect.
- Never carry caps in pocket as caps may ignite & cause burns injuries.
- Do NOT remove caps from their package until ready to use.
- CAUTION: Use only under adult supervision.
Our SPORTSMAN air soft guns are made from original designs of western and sporting models. Each gun is made of high quality plastic. The stock of these guns look like real wood and the barrels look like real steel. All SPORTSMAN guns will shoot our orange soft rubber ammo 20 to 50 feet. These guns do not use air cylinders; as you cock the lever or hammer on the gun it will compress its own air. Made in Italy.
